EXPERIENCE

Frontend Developer Intern
INCTURE TECHNOLOGY
📅 Feb 2024 – Aug 2024   📍 Bhubaneswar, India

- Completed a 2-month training program in React.
- Assigned to the **Incture Data Platform** project to handle frontend and UI development.
- Contributed to building the website, focusing on **React, Tailwind CSS, and various frontend tools.**
- Worked on some backend concepts, including **API fetching and data representation.**

ACHIEVEMENTS

250+ DSA Questions on Gfg, LeetCode and Hackerrank.

My team, Incture Data Platform, won the Q4 FY23-24 "Super Squad" Reward and Recognition award.

Completed (WEB DEVELOPMENT BOOTCAMP 2022) Certification with various projects.

Completed (How To Startup Course) from the Internshala Training.

Cognitel Certified Design Thinking Practitioner.

TECHNICAL SKILLS

- **LANGUAGES:** Java
- **IT CONSTRUCTS:** DSA, OOPS.
- **DATABASE:** MySQL
- **DEV TOOLS:** VSCODE
- **WEB DEVELOPMENT:** JavaScript, REACT, HTML, CSS.

PROJECTS

TV Show Search App
- This app uses **Axios** to request **TV Maze API** which in return displays all the TV Shows to the landing web page that the user has searched for.

Expense Tracker App using REACT
- This application utilizes **React hook concepts** to efficiently track and manage your expense list.

RESPONSIBLE POSITIONS

Served as Class Representative
- Served as Class Representative from **2020-2024 during my Engineering Study which helped me to develop and Enhance Leadership Qualities.**

Event and Disciplinary Committee in-charge
- Served as Event and Disciplinary Committee in-charge during Freshers' event conducted around **April 2022** which helped me emerge as **Team Player and Enhance my Event Planning, Finance and Resource Management Skills.**
